

## NOTICE

Please note that the September 11th, 2010 Exam Administration will occur at the William and Ida Friday Center for Continuing Education in Chapel Hill. The Friday Center is located at 100 Friday Center Drive off of Highway 54 West. Highway 54 West can be accessed via Interstate 40 at Exit 273. The exam will begin at 10 a.m.

Please plan to arrive at the Friday Center by 9 a.m. for exam registration. You will not be allowed to test on September 11th unless you receive notice from the Board office that you have been scheduled for this exam. Please contact the Board office with any questions.

## DMV Evaluators

DMV Evaluators are reminded that they must attend a DMV Substance Abuse Evaluation (SAE) training once every two (2) years and pass the DMV's exam in order to recertify. If you attended one of the four SAE training courses that occurred on September and December 12th, 2009 or March 26th or 29th, 2010, then you will have to recertify at the next scheduled DMV SAE training in 2011. Please contact Ms. Cathy Holder (*cholder@ncdot.gov*) should you have any questions regarding this training or the DMV Evaluators designation.

## 2010 NCSAPPB Election Results

In May and June, the Board held its Annual election. The Board received seven nominations for the North Central region seat and six nominations for the At-Large seat, which is a record response to the call for nominations! The Board appreciates the field's overwhelming response and encourages your ongoing support and participation.

The counselors elected to the Board as a result of this year's election are Mr. Dale Willetts and Mr. Al Greene. Mr. Willetts is a Certified Criminal Justice Professional and currently serves as the Director of the NC TASC Training Institute. He will replace Mr. Michael Herring on the Board and will be sworn in at the Board's Annual meeting in July.

Mr. Al Greene will continue his service on the Board, serving in the At-Large seat. Mr. Greene, LCAS, CCS, currently serves as the Chair of the Board's Quality Assurance Committee with the continued goal to serve the Board's constituency while upholding standards to protect the public.

The Board wishes to express its appreciation to Mr. Herring for his seven years of service on the Board. Mr. Herring worked tirelessly as the Chair of the Board's Standards Committee, helping establish Board rules and policy. Mr. Herring's attributable service will leave a lasting imprint on the Board and its growth over the past decade.
