

“Meeting of the Professionals” Annual Training Review

On December 9, 2009, the North Carolina Substance Abuse Professional Practice Board hosted Licensed Clinical Addiction Specialists and Certified Substance Abuse Counselors at its first annual training event held at Wake Tech Community College’s West Campus in Cary. The training consisted of two tracks from which attendees could choose to attend: *Clinical Supervision and Ethical Practice* presented by Board member L. Worth Bolton, LCAS, CCS and *Effective Groupwork for Addiction Counselors* presented by Board member Jessica

Holton, LCAS. Board staff was present to answer credentialing questions as well as provide refreshments and coffee during breaks.

Due to inclement weather, a number of participants were not able to attend. Among the eighty counselors who did attend the training, there was great excitement about the opportunity to earn training credit free of charge and learn something new about their field from NCSAPPB Board members.

The response from counselors following the training event was overwhelming. Post-training evaluations

were distributed and collected. Among the recommendations made were suggestions that a greater variety and number of tracks be offered in the future, that the training occur over a period of several days instead of a consolidated, one-day event and that all credentialed counselors be invited to attend the event.

The Board staff appreciates the feedback that was received and will endeavor to take these recommendations into consideration when planning 2010’s event. Thank you for your feedback and continued support of the Board!

Calendar For Board Scholarship Requests Submission—2010

Conference	Application Period Begins	Application Period Ends	Notification to Recipient
Addiction: Focus on Women Conference	February 1, 2010	February 28, 2010	After March 15, 2010

JOB ANNOUNCEMENT

Drug Treatment Specialist Winton, NC

The **GEO Group, Inc.** (GEO) is a world leader in the delivery of correctional and detention management, medical and mental health rehabilitation services and other diversified services to federal, state and local government agencies around the globe.

At year 2008, GEO's worldwide operations included the management and/or ownership of 63 correctional/detention and residential treatment facilities with approximately 61,000 offender and residential treatment beds in North America, Australia, South Africa, and the United Kingdom. Our revenue at year-end 2008 was \$1.04 billion, and net income was \$58.9 million.

The DRUG TREATMENT SPECIALIST is responsible for conducting interviews to determine inmate treatment eligibility; conducts drug education classes to groups of inmates; provides group and individual counseling to inmates with substance use disorders; writes treatment plans and psychosocial histories; and writes treatment summaries that are used to develop aftercare plans upon inmate release to the community.

Bachelor's Degree that includes 24 semester hours in the behavioral or social sciences or a combination of education and experience that included at least 24 semester hours of course work in the behavioral or social sciences, and that provided applicant with knowledge of the behavioral or social sciences equivalent to a four-year degree. Must possess or be able to attain drug abuse treatment certification by the State of North Carolina within three years from date of hire. Must be able to pass background investigation, drug screen and medical evaluation.

For consideration, qualified candidates may submit resumes to: easternjobs@thegroupinc.com or apply online <http://www.geogroup.com/careers.asp>

Only applicants meeting the minimum requirements will be contacted.
