DMV Evaluator: Training / Retraining

Saturday, September 20

9:30 a.m. Holiday Inn Burlington

If you are currently on the list as an evaluator and did not attend the training on Saturday, June 21, **YOU MUST ATTEND THE ABOVE TRAINING FOR RETRAINING!** If you have never been trained in the past and would like to train or were a DMV Evaluator at one time but are no longer on the list, you may attend also. Please call the Board office at 919-832-0975 to register for this class.

Announcement

Previously, the Board has required that signatures on the Letters of Reference for the Certified Clinical Addictions Specialist be from persons who hold both a master's degree and a CSAC or CCAS. In further review of the statute, it appears as though the persons who were grandparented into the CCAS with less than a master's degree may also sign the Letters of Reference and that only the CSAC's must also hold a master's degree. The Board hopes this is of help to persons completing their application packets.

Correction

The following individuals were erroneously listed as having expired certifications in the May 2003 newsletter. All four individuals are certified and in good standing. We regret the error.

Karenmarie Bryant	CCAS 434
Donna Lumpkin	CSAC 1691
Greta Lutman-Jefferys	CCAS 607
Carol Roberson	CSAC 632

Notices

Spanish Language Documents Available

The written exam for the CSAC and the Board's informational brochure are now available in Spanish. It is hoped that the remainder of the Board's materials including all application packets and the *Certification Procedures Manual* will be translated within the next year. Please contact the Board office for more information. Paola in the Board office can provide telephone assistance in Spanish.

Upcoming Training Calendars

Questions frequently arise about making submissions in time for the printing of the bi-monthly newsletter. In an attempt to assist agencies in having trainings listed in our calendar, the Board would encourage all providers to submit upcoming training events no less than 60 days prior to the scheduled event. Additionally, some agencies submit to the Board annually or semi-annually their entire training calendar. The Board is happy to publish those events with approval numbers pending.

Attention All DMV Evaluators

All persons who perform DMV Evaluations for the North Carolina Division of Motor Vehicles are reminded that you **MUST** have attended the 2001 training or retraining in order to perform these evaluations. Persons who did not train or retrain at that time are no longer eligible and may not perform such evaluations until retrained. For more information, contact the board office.

HIV Training

Please remember that HIV Training for Certification/Recertification is all encompassing and includes HIV/AIDS/STD's/TB/Blood-borne Pathogens (including Hepatitis).

Change of Address

All certified professionals and applicants are reminded that North Carolina law requires you to notify the Board of any change of address within 30 days.
