

NCSAPPB Election Calendar 2008

It's that time of year again!

The North Carolina Substance Abuse Professional Practice Board seeks energetic and dedicated substance abuse counselors to serve on its Board. Please consider counselors that both live in North Carolina and are NCSAPPB-credentialed. Self-nominations are encouraged.

All persons who are nominated should indicate in writing to the Board that they are ready, willing and able to serve, if elected. In addition, each candidate should submit a statement of no longer than 50 words to answer the following question: "If elected, what will I bring to the Board?" This statement will accompany the ballot which is mailed to all credentialed professionals.

This year, the Board has four vacant seats to fill. One seat is available in each the South Central region, the North Central region and the Western region, and there is one at-large seat available. Please review the election calendar below for guidance on submission dates and deadlines. Submit your nominations to the Board office via mail or email (anna@recanc.com).
