Record Response to Board Election Received, New Members Elected and Appointed

In May and June of this year, the Board held its annual board balloting. The Board Office received triple the response compared to years past! When the nominations closed and the ballots were counted, elected to the Board from the field were:

Lidia Bly-Herman—Eastern Region

Tom Miller—Eastern Region

L. Worth Bolton—South Central Region

Flay J. Lee—At-large Seat

Lidia Bly-Herman, Worth Bolton and Flay J. Lee were re-elected to the Board. Worth Bolton will replace Tim Hall and Tom Miller replaces Iris Shafer on the Board. Mr. Miller holds both the LCAS and CCS credentials and is currently employed by Eastpointe in Goldsboro, NC.

The Board also received one appointment. Lynn Jones was appointed by the NC Division of Mental Health, Developmental Disabilities and Substance Abuse Services. Ms. Jones is a Licensed Clinical Addictions Specialist and works with DWI Services within the Division. Lynn Jones will replace Helen Wolstenholme. Mr. Lynn Inman was nominated and chosen to serve in the Board-appointed seat. Mr. Inman is the administrative officer for Resource Development/Housing/Enhanced Care for the Alamance-Caswell-Rockingham LME. Lynn holds both the CSAC and the CSAPC credentials. Lynn Inman is replacing Deborah Bryan.

Finally, two of the Board's Deemed Status organizations had appointments this year. NAADAC, the Association for Addiction Professionals, appointed Joseph Adedokun of Dallas, NC to the seat previously occupied by Kim Anthony-Byng of Charlotte. The National Association of Social Workers appointed Jessica Holton of Greenville to replace Worth Bolton.

The Board wishes to welcome all the new members and express its appreciation to the departing members for their years of service to the Board and to the public.

The Board also wishes to thank all NCSAPPB credentialed counselors for their participation in this year's election and overwhelming response!

Applications Without Payments

Recently the board has received a number of applications for certification, licensure and training approval without payment or with notations that payment will follow. This makes it difficult for staff to maintain complete records on payments received by the board. Therefore, beginning on April 1, 2007, any application received without payment will be returned to the applicant or provider.

Additionally, it has long been the policy of the board not to accept applications or training approval requests by fax. Please note that, unless otherwise notified, applications received by fax will not be processed but will be returned to the applicant or provider.

Do You Want Your Name Listed?

Due to the increasing number of persons who are interested in contracting as a clinical supervisor, the Board has been asked to list on its website those persons who are willing to serve in this capacity on a contractual basis. If you are interested in making sure your name is posted, please send a confirmation email to anna@recanc.com.

Home Study Expanded To Include Initial Credentialing Hours

For a number of years, the NCSAPPB has allowed up to 25% of renewal hours in home study if those courses had been pre-approved by the Board or by an organization granted Deemed Status with the Board. The Board is happy to announce that such preapproved home study may now be counted for up to 50 percent of the hours required for any initial credentialing or for the renewal of any credentialing.

If you have questions about whether or not a course has been preapproved, please contact the Board office for more details.

Announcement

Previously, the Board has required that signatures on the Letters of Reference for the Licensed Clinical Addictions Specialist be from persons who hold both a master's degree and a CSAC or LCAS. In further review of the statute, it appears as though the persons who were grandparented into the LCAS with less than a master's degree may also sign the Letters of Reference and that only the CSAC's must also hold a master's degree. The Board hopes this is of help to persons completing their application packets.

DWI Assessment Fee And DMV Evaluation Fee

Last year the North Carolina General Assembly approved an increase in the amount of the fee for a DWI Assessment (commonly referred to as a "508" form). The fee was increased from \$50.00 to \$100.00. Please remember that the fee for a DMV Evaluation DID NOT increase at the same time. That fee remains at \$65.00.
