Re: EC-219-12

Dear Mr. Renn:

The Board is in receipt of your response to its request that you provide the specific dates you provided supervision to Mr. Jaime Montano.

Your admission that you were unclear about whether or not you signed a supervision contract with Mr. Montano (the Board has several on file), the fact that you are unclear about the dates you provided supervision, and the fact that you failed to supply the Board with any records authenticating your role as supervisor supports a finding that this matter should result in a disciplinary action by the Board.
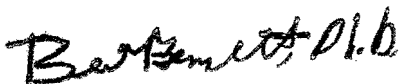

In an effort to resolve this matter informally, the Ethics Committee offers you a **Reprimand**. If you accept this offer you will not be required to participate in a Board hearing and you will not suffer loss of your credentials with the Board.

Although this matter will not be published in the newsletter, it will be retained in your permanent file at the Board office and evidenced on the website.

Please provide a response to this offer of informal resolution within fifteen (15) days from your receipt of this request.

If you have any questions, please contact Barden Culbreth in the Board Office.

Sincerely,

Bert Bennett, PhD
