**CONSENT ORDER**

This matter is before the Ethics Committee (the "Committee") of the North Carolina Substance Abuse Professional Practice Board (the "Board"), pursuant to Chapter 150B of the North Carolina General Statutes and Title 21 of the North Carolina Administrative Code, Chapter 68, Section .0600, and with the consent of Tyrone Robert Mc Rae, (Respondent), to consider the entry of a Consent Order in lieu of an Administrative Hearing.

Respondent has received notification of a proposed Informal Resolution resulting from a review and investigation of this Complaint brought by Mr. George Elliott. Committee Chairman, Mark Crabtree, and Board Counsel, Ann Christian, presented the findings of the investigation into these matters to the Respondent. Both parties stipulate and agree to the Findings of Fact and

Conclusions of Law recited in this Consent Order and to the discipline imposed. Based upon the consent of the parties, the Ethics Committee hereby enters the following:

FINDINGS OF FACT

1. Respondent was credentialed by the Board as a Certified Substance Abuse Counselor (CSAC) on or about July 26, 2012.
2. At all times relevant to this Order, Respondent Tyrone Mc Rae was engaged in practice as an CSAC in Hoke County, North Carolina while providing services as a substance abuse professional at Alpha Counseling and DWI Services in Raeford, North Carolina.
3. Respondent Mc Rae admits to providing services while practicing with an expired credential from July 1, 2014 until August of 2015 when the credential was renewed.
4. Respondent's conduct is mitigated by the fact he cooperated with the Ethics Chairman in his investigation of the Complaint and developing an informal resolution of this matter.

CONCLUSIONS OF LAW

Respondent Mc Rae is in violation of North Carolina General Statute 90-113.44 (a)(6) by failing to complete the requirements for renewal of his credential in a timely manner.

The Respondent admits that sufficient violations of the laws governing the substance abuse profession exist for the Board to take action as authorized by G.S. 90-113.33 (2).

The Respondent waives any further Findings of Fact and Conclusions of Law in these matters.

Based on the foregoing, and with the consent of the Respondent, IT IS THEREFORE THE

ORDER OF DISCIPLINE

That Respondent Mc Rae shall receive disciplinary action in the form of a Public Admonition.

1. Respondent is hereby admonished by the North Carolina Substance Abuse Professional Practice Board due to his professional misconduct. The Ethics Committee trusts that he will heed this Admonition, that it will be remembered by him, that it will be beneficial to him, and that he will never again allow himself to depart from adherence to the high standards of ethical practice of the profession.

2. This Notice of Admonition shall be printed in the NCSAPPB Newsletter.

3. Respondent shall inform the Board within the first fifteen (15) days of each quarter of the upcoming calendar year of the name and contact information of Respondent's Clinical Supervisor.

This the 17th day of December, 2015.
